

EIZO Donates to Support European Flood Relief Efforts

Hakusan, Japan, August 3, 2021 – EIZO Corporation (TSE: 6737) today announced that the EIZO Group will donate 15,000 euros to aid in the relief efforts in response to the devastating floods affecting Western Europe since July, 2021. The EIZO Group is donating to the Red Cross and other volunteer organizations in Europe with hopes that the affected areas will recover as quickly as possible.

EIZO has seven group companies in Europe, including core manufacturing facilities EIZO GmbH (Rülzheim, Germany) and EIZO Technologies GmbH (Geretsried, Germany), and central sales office EIZO Europe GmbH (Mönchengladbach, Germany). We have confirmed that all of our employees are unharmed. The above mentioned companies, as well as EIZO Austria GmbH and the Dutch and Belgian branches of EIZO Europe GmbH will make donations to the Red Cross and other organizations in their respective countries.

The EIZO Group offers its deepest sympathies to all those impacted by the disaster and hope the affected regions recover quickly.

About EIZO

EIZO (TSE:6737), which means image in Japanese, is a visual technology company that develops and manufactures high-end visual solutions to enrich people in their professional and personal lives. EIZO offers total imaging solutions with a range of monitors, software, video capture, processing, and distribution solutions, cameras, and advanced integrated technologies, to meet the specialized needs of customers in business, creative fields, healthcare, air traffic control, maritime, security & surveillance, and more.
